

## Zero Procure

**Starting from Zero. Born during the pandemic, inspired to support, here to stay.**

Put simply, we are a zero cost procurement resource for businesses and a low cost sales resource for suppliers.

By galvanising the collective power of thousands of businesses, we provide a Zero cost procurement service for operators, giving them access to pricing only usually afforded to larger organisations whilst also becoming an invaluable sales resource for suppliers as we will give you access to boundless new business opportunities.

[There is no annual membership fee](#) to become a Zero Supplier. You pay a small commission\* only for the business we find you.

As a supplier, you can also benefit from [savings in your own business](#) by taking advantage of our wide and varied supply chain for your own buying needs. **At Zero cost.**

Additionally, suppliers have the opportunity to join our [Introducer's Network](#) which rewards great networkers who make introductions.
